

A big 'Thank You'
to all who donated to our
'Backpack for Success'
school drive!

Backpack for Success — Thank You!

A heartfelt thank you to everyone who "adopted" a child through this year's Backpack for Success program! Your generosity was truly overwhelming.

Thanks to your kindness, the Parish Social Ministry office received **more than 250** backpacks, filled with school supplies and essentials for children in need. These backpacks, along with the many extra supplies donated, were shared with families in our parish community and with local parishes and organizations, including St. Hugh's, St. Anne's in Brentwood, and New Hour. Because of your generosity, children will begin the school year with more than just a backpack—they will begin with a reminder that their community cares about them and wants them to succeed.

Thank you for helping make a difference!
