

Our Lady Queen of Martyrs has been truly blessed by the dedicated partnership and unwavering support of the St. Joseph Council Knights of Columbus. Their generosity, commitment, and spirit of service have made an immeasurable impact on our parish community.

Often working quietly behind the scenes, the Knights faithfully take on countless tasks that are essential to the success of our parish programs and events. Whether they are setting up tables and chairs, grilling for parish gatherings, decorating the church for Christmas, serving as ushers at Mass, beautifying our parish grounds, or providing financial assistance to those in need, they are always ready to lend a helping hand.

Their willingness to serve with humility and dedication reflects the very heart of our parish mission. We are deeply grateful for their countless hours of volunteer service, their generosity, and their steadfast commitment to our parish family. On behalf of the entire Our Lady Queen of Martyrs community, we extend our sincere thanks to the St. Joseph Council Knights of Columbus for all they do. Their faithful service is a true blessing, and we are honored to have them as an integral part of our parish family. their countless hours of volunteer service, their generosity, and their steadfast commitment to our parish family.
