

A Walk in the Park for a Merciful Cause

Members of the **Society of St. Vincent de Paul** are looking forward to their **18th annual Friends of the Poor WALK** on **September 26, 2026**. This year, the Society's major island-wide fundraising event will take place at **Heckscher State Park in East Islip** (*nottobeconfusedwithHeckscherParkinHuntington*).

This beautiful 1,600-acre park on the Great South Bay promises to be a scenic setting for the day's events. "Many of us are planning to spend the entire day there," said Barbara Cordts, president of the local conference, "We'll have the walk in the morning, and then a day at the beach."

Organizers are billing the day as a "fun-raising" experience and everyone is invited to join the Vincentians as they walk to raise much-needed funds to help the poor on Long Island.

Students: Need Service Hours? Joining this walk is a great way to earn hours supporting a worthy cause. Your participation will be warmly appreciated and duly recognized in writing by the Society.

If you would like to take positive steps to help the poor, this is a meaningful opportunity. Vincentians from our parish will be there to welcome you (and of course, they will welcome a donation if you can't make it!)

9/26/2026:

Check-in starts at
9:00 AM

WALK starts at
10:00 AM

18th ANNUAL

The Society of St. Vincent de Paul
invites you to join us to **WALK or DONATE...**

and help Long Islanders in need.
Saturday, September 26th,
Heckscher State Park, East Islip NY
